

WELCOME TO OUR PRACTICE

West Sound Dermatology is dedicated to providing individualized, compassionate, state-of-the art medical and aesthetic dermatologic care in a comfortable and convenient setting.

QUALITY CARE

When you have needs for dermatological care, you need to turn to a doctor who listens and responds ... an experienced doctor who knows the field and can effectively diagnose and treat your needs ... a friendly physician who counsels you on the best ways to maintain and improve your health. Our physician(s) meet all these criteria. Plus, you benefit from a dedicated team of trained professionals who give you the individualized attention you deserve.

INFORMED PATIENTS

West Sound Dermatology believes that informed patients are better prepared to make decisions regarding their health and wellbeing.

COMFORTABLE, CONVENIENT SETTING

The best care in the world doesn't mean anything if you can't access it. At West Sound Dermatology, we strive to make our Poulsbo office as efficient and convenient as possible.

PRODUCTS

We are proud to offer EltaMD, Epionce, and *jane iredale*.

We are also contracted with an FDA facility in order to customize prescription medications that we prescribe. This advancement enables us to dispense at the time of your visit and can offer prescriptions that are cost effective. Please ask staff for additional information.

*Consultation fee credited towards first service of \$200 or more if performed within six months of consult.

**Purchase 6 hair reduction sessions of the same service and receive 15% discount. Services must be performed within 1 year of purchase.

West Sound Dermatology reserves the right to charge patients a no-show fee of \$75 for missed appointments.
